

# CSA Seminar - One Year Later

With Steve Piwowarski of the FMCSA  
**Toronto • February 8, 2012**

Over The Road, Infit-i Solutions and Northbridge Insurance are pleased to announce that we have secured the Federal Motor Carrier Safety Administration's lead speaker on CSA, Steve Piwowarski, to speak to Canadian Carriers about CSA on February 8, 2012.

## Seminar Overview

During this seminar attendees will gain an in-depth knowledge of CSA one year after implementation; how it is affecting Canadian trucking companies and drivers, and what companies can do today to ensure compliance.

Steve will cover topics such as:

- A full update on the CSA Program
- An update on the myths of what is happening and what isn't
- An overview of SMS (Safety Measurement System)
- A review of the new icons and how to use the FMCSA website
- What violations are really telling you as a company
- An overview on the new Hours of Service regulations

"There is no better information source on CSA than Mr. Piwowarski. He is knowledgeable, engaging and very entertaining as a speaker. CSA has changed trucking and if you operate in the USA, it is vital to stay informed."

*Tom Philips*  
*Vice President & General Manager*  
*TST Truckload Express*

There will be lots of time allowed for Q&A.

**ALSO** As an extra bonus for the seminar attendees, Rick Geller, Vice-President Risk Services of Northbridge Insurance will speak on Managing Carrier Profiles. Avoid costly fines and sanctions while managing driver performance by using your profile information. This presentation will explain the business benefits of reviewing, analyzing and benchmarking the effectiveness of your safety management processes.

## Seminar Details

**Wednesday, February 8, 2012 - 8:30 am to 2:30 pm**  
**The Weston Golf and Country Club, 50 St. Phillip's Road, Toronto M9P 2N6**

## Registration

The cost to register is \$129.00/person + tax. Registration includes a handout, a continental breakfast, a coffee break and lunch. Please register for this event in advance as space is limited.
